UPPER LONG LAKE ESTATES (ULLE) –2021 EXPLANATION OF DUES AND FEES

We encourage all ULLE homeowners to pay Association dues and the B and C Access Fees. The upkeep and beautification of the ULLE properties benefit our entire neighborhood and its property values.

1. ASSOCIATION DUES:

Annual dues are required from every resident in order to vote or participate in association business. The dues are used by the Association for a number of expenses, including the following:

- Subdivision general & liability insurance
- Lighting and maintenance for our two lake front lots 16 and 64.
- Maintenance of the 2 entrances and 3 cul-de-sacs.
- Postage, paper and miscellaneous office supplies
- Publication of periodic ULLE Newsletter and Homeowners Directory
- Accounting services - Expense payments, Banking, Financial Statements
- Treasury services – Billing, collection and administration of dues and fees
- Social events - Summer picnic, Halloween party and other activities
- Legal Fees
- Taxes, if applicable
- Website fees and administration
- Other contingencies which occur throughout the year.

Association dues are required as a prerequisite for use of Lot 16, Lot 64, Boat slips or Lot 64 launch use and are in addition to the fees for such use. Also, as a reminder, you must be a “member in good standing” to vote for Association Board Members and other ULLE issues and to participate in ULLE neighborhood business.

2. LOT 16/B ACCESS FEE:

In addition to ULLE Association dues, the annual Lot 16/B Access Fee is due from residents who wish to use Lot 16, B Beach on the lake. This lot has a 100 foot boat dock, a sandy beach and swim area, picnic tables, children’s play area and a gated parking lot. Many of the ULLE annual outdoor events are held at B Beach. Those who pay the B Access Fee are entitled to a gate lock key (changed annually). See also Lot 16/B & Lot 64/C Rules.

3. LOT 64/C ACCESS FEE:

In addition to ULLE Association dues, the annual Lot 64/C Access Fee is due from residents who wish to use Lot 64. Lot 64/C has a boat dock, picnic areas and **(2) boat launches**. Lot 64/C Access fee is also used for the maintenance of Outlot B (island and surrounding water). Payment of the Lot 64/C Access Fee entitles the homeowner to a gate lock key (changed annually). Lot 64/C is also used by the weed harvesting company that keeps Upper Long Lake weeds at a minimum during the boating season. See also Lot 16/B & Lot 64/C Rules.

4. PAYMENT:

Association dues, Lot 16 and Lot 64 Access Fees are due upon presentation-see bylaws for detail. **Association dues paid before May 1, 2021 are \$100 and on or after May 1, 2021 are \$110.** All dues and fees are non-refundable and non-transferrable. New resident/owners are required to pay all annual fees to enjoy the benefits of ULLE, regardless if the prior owner has paid. Their dues are payable within two months of the closing date of their residence in the amount of \$100. After two months from closing, the dues amount will be \$110.

The Annual dues are on a calendar basis. The year runs 365 days from date of ULLE Annual Dues Package. In no case are dues or fees prorated. Submit all payments and applicable forms to the ULLE Treasurer.

UPPER LONG LAKE ESTATES ULLE) –2021 EXPLANATION OF DUES AND FEES

5. BOAT SLIPS/LAUNCH FEES:

Current assigned slips:

Boat slips for Lot 16 and Lot 64 are currently full. Boat owners, who are in "good standing" with all fees, who were assigned a slip in the prior year, are eligible for a slip in the current year. Boat slip fees and a ULLE Boat Application form must be submitted to the Dock Chairman for his/her approval.

How to obtain a slip:

If you do not have a boat slip but would like to be entered on the waiting list, an application, in writing, must be submitted to the appropriate Dock Chairman.

Lot 64/C - Michael Scheid 248-866-4855 Michael@thomashospitality.com

Lot 16/B - Dave Andrejko 248-867-4872 dandrejk@aol.com

Note that residents must be in "good standing" (all annual dues paid to date) to be entered on or remain on the boat slip waiting list. A initial B or C dock fee of \$500 for dock maintenance and preservation is charged to first time boat slip assignees. Lot 64 and Lot 16 wait lists can be found on the ULLE website.

Boat Launch for all residents:

Residents of Groups A and C, with their own docks and slips, residents with slips on the B and C docks and those wishing to day launch may do so by paying the annual Lot 64 Access fee and executing the ULLE Launch Use Agreement. All residents are encouraged to use the ULLE launch for their access to Upper Long Lake.

Boating Season:

Boating season is determined by weather and at the discretion of the Dock Chairman. Because the Lot 16 docks are seasonal, boats must be removed before weather conditions present a hazard to the dock removal company. The Dock Chairman will coordinate the removal and notification of boat owners. Boat launching may be done at the boat owner's convenience.

6. CANOE RACK/FEES:

Lot 16 and Lot 64 have storage racks for canoes, kayaks and paddle boards. This is the only permissible area for storage and there is an application fee for annual storage. The ULLE Boat Application form must be submitted to the Dock Chairman for his/her approval.

Refer to the ULLE Annual Dues Package for more information on Dues, Policies, Applications and fees for Boat Slip and Boat Launch. The 2021 Annual Dues Package will also available on the ULLE website: www.upperlonglakeestates.com

**UPPER LONG LAKE ESTATES (ULLE)-2021
BOAT DOCKING POLICIES & PROCEDURES
LOT 16 AND LOT 64**

I. AUTHORITY & RESPONSIBILITY

1. This statement of Policies and Procedures applies to the docks and racks at ULLE Lot 16 and Lot 64. "Dock Chairman" means the Dock Chairman assigned by Group B Committee for Lot 16 or the Dock Chairman assigned by Group C Committee for Lot 64, whichever is applicable. The "Committee" means either the Group B Committee or the Group C Committee, whichever is applicable. The Dock Chairman shall be responsible for maintaining and assigning all boat slips and rack spaces. This shall include the maintenance of waiting lists for boat slips and rack space as well as the application and enforcement of all rules and regulations issued by the Committee or the ULLE Board of Directors. The ULLE Treasurer shall be responsible for the collection of all boating fees.
2. The Dock Chairman shall resolve all disputes concerning the use of docking and boating facilities. Any party involved in a dispute who feels that a dispute has not been resolved fairly may appeal the Dock Chairman's decision to the Committee at the next full-quorum meeting of the Committee.

II. PROCEDURES FOR ADMINISTERING DOCK/CANOE SPACE

1. Requirements:
 - a. Owner currently resides in a permanent structure within the Group (vacant lots and structures under construction do not qualify as a residence); and
 - b. Maintain good standing, including staying current on ULLE dues and Group access fees paid, and in compliance with applicable Rules.
2. Application Procedure. An application form (available on the ULLE website) must be submitted to the Dock Chairman. If there are more applications than openings, the Dock Chairman will maintain waitlists (separate list for docks and for rack storage). As a boat slip or rack space becomes available, it will be assigned in order of priority from the applicable wait list. Priority on the wait list is based strictly on date of application; length of time as a resident is not relevant except as a tie breaker in the event two applications are submitted on the same date. The wait list is rolled over each year with the order fixed except: a) new applications will be added to the end of the wait list, b) a resident who moves out of the Group or fails to pay ULLE dues or Group access fees will be dropped from the list. The wait lists for Lot 16 and Lot 64 will be published on the ULLE website and will be deemed conclusive unless objections are presented to the respective Dock Chairman, in writing, within 90 days of the date on which an updated list is posted. Moving from one home within the Group to another home within the same Group will not affect dock, rack or waitlist status. A temporary (no more than one year) move out of the Group in connection with remodeling or rebuilding a home on the same lot will not affect dock, rack or waitlist status. For new boaters who are offered docking rights, all docking applications and fees are due within 30 days of notice of available space. Late notice will be provided after the initial 30 days. After 60 days of the initial notice, all docking rights will be forfeited if fees and documentation are not properly submitted.
3. **Vacation time/"Out Time"** All boaters shall be required to submit to the Dock Chair prior notification of vacation or "Out Time", that is, any extended time (3 or more days) when their boat shall be out of the water. This process is designed to provide applicants on the waiting list with an opportunity to temporarily dock their boat when assigned space is unoccupied. To participate, applicants must have a boat at the time space becomes available. Failure to submit notification of "vacation" or "out time" may result in the Dock Chair allowing use of such space to any qualified applicant with appropriate notice to such boater with reserved slip.

**UPPER LONG LAKE ESTATES (ULLE)-2021
BOAT DOCKING POLICIES & PROCEDURES CONT'D
LOT 16 AND LOT 64**

4. Launch Time-**All existing boaters with docking rights must launch their boats in their assigned space by May 31st of each year, unless their boats are subject to repair or other valid reason provided to and approved by the dock chair.** Failure to launch boat and place in assigned space by May 31st will cause such dock space to be made available to those on the wait list, if any.

III. MAINTENANCE/ORDERLINESS

1. Boaters are responsible for the daily upkeep and cleanliness of their area. Fishing, skiing and swimming paraphernalia must be removed by dusk or when the boater has completed the day's activities. Items should not be left overnight; anything left overnight (other than registered kayak or canoes in rack or items on board a docked boat) will be deemed abandoned. The Dock Chairman, in his sole discretion, may immediately discard abandoned items, or store them briefly in a "lost and found" location, before discarding them.
2. No boat shall be launched from Lot 16. All launch activity must take place at Lot 64, pursuant to procedures discussed in a separate document.
3. Boaters who cause any damage to docks (beyond normal wear and tear) must promptly repair or arrange for repair of the damage. If the boater fails to promptly make repairs, the Dock Chairman may arrange repairs and bill the responsible boater. Failure to pay such charges will result in loss of dock privileges.
4. Docks may not be modified, and nothing may be attached to docks, without the approval of the Dock Chairman. If bumpers are used, they must be white and of the type sold by marine stores – no tires (or portions of tires), carpet scraps, etc.
5. Other residents who are properly on Lot 16 or Lot 64 may use docks for fishing, provided they do not interfere with boater's use of the dock.
6. All motorized boats are to remain outside of the Lot 16 swim area at all times.

IV. FINANCIAL OBLIGATION/DELINQUENCY

1. Prior to boat launching or slip assignment but no later than May 31st, 2021, boat owners are obligated to pay in a timely manner, all dues, fees and assessments required to obtain docking privileges, along with signed launch agreement.
2. Any boat owner delinquent in any required ULLE or Group payments will be given a dated, written notice warning that the dock space privileges may be revoked or reassigned.
3. If payment is not made in full within two weeks of the date of the notice, the boat owner's docking privileges shall be revoked.
